---

- 1 **WHEREAS**, as it stands, the umbrellas on the campus of Grand Canyon University are not  
2 secured by umbrella bases. These umbrellas cause problems for the students when  
3 blow out of the tables.  
4
- 5 **WHEREAS**, a student has been injured as a result of getting hit with one of the umbrellas. By  
6 not having the umbrellas secured, it proves to be a safety hazard to students and  
7 any pedestrians.  
8
- 9 **WHEREAS**, the umbrellas get damaged when they get blown out of the tables. The stretchers  
10 break, which ultimately make the umbrellas look bad.  
11
- 12 **RESOLVED**, the Associated Students of Grand Canyon University (ASGCU) Senate  
13 recommend that the University purchase and apply umbrella bases to all umbrellas  
14 on campus that are not already secured.
